

Declaration of Compliance Statement

Detectable Scissors, applicable for both handle and blade	DTM 1006
--	----------

Materials used in the manufacture of this product are in conformity with the applicable requirements of the following regulations and standards:

- Regulation (EC) no. 1935/2004 on materials and articles intended to come into contact with food, and all subsequent amendments (and their transposition into National Law)
- Regulation (EC) no. 2023/2006 on Good Manufacturing Practice for materials and articles intended to come into contact with food, and all subsequent amendments (and their transposition into National Law)

This Declaration of Compliance Statement is for the products specified above and is based on information supplied by our supplier. An updated statement will be provided if the information on which the declaration is based changes or regulatory requirements impact on its validity.

Kind regards

Jan Skov Trabjerg
Technical Manager
